A MAN WELL VERSED IN BUSINESS WAYS

From such a one you're bound to get advice to use the Want Ad-let. Republic "Wants" he knows are best -a fact accepted through the West. Results from these are sure, he's found; his words to use them, hence, are sound. "When e'er a little ad you see," the Well Versed Man says, quietly, "just write an answer, if you please; dot all your 'I's' and cross your 'T's.' If once you fail, write more and more, and soon toward you the notes will pour. You'll then conclude, from these replies, it always pays to ADVERTISE."
